

# Our Guaranteed Standards of Performance

Guaranteed Standards of performance are our minimum service-level standards that cover restoration of supply, customer communication and connections, to ensure our customers receive a baseline level of service. Customers are entitled to receive compensation payments if we fail to meet these standards (set out below).

 **Interruptions:** Customers who face planned or unplanned interruptions to their gas supply.

Standard		What the standard requires	Compensation if we miss the standard
GSOP1	Gas supply restoration following an unplanned interruption	We will restore your gas supply within 24 hours of an unplanned interruption	£70 payment for domestic premises and £120 for non-domestic premises, every 24 hours after failure.
GSOP2	Reinstatement of consumers' premises	We will reinstate your premises within 5 working days (3 working days for PSR customers*)	We will pay £120 for domestic customers or £240 for non-domestic customers if these standards are missed. Further payments each subsequent period of 5 working days (3 working days for PSR customers).
GSOP3	Domestic customers on the Priority Services Register (PSR)	Provision of facilities for priority domestic customers, including, alternative heating and cooking facilities, access to hot water and a hot meal	We will pay £60 per working day, up to £595 per customer.
GSOP13	Notification in advance of planned supply interruptions	We will notify customers 7 working days in advance of a planned interruption.	£50 one-off payment for domestic premises and £120 one-off payment for non-domestic premises.

 **Customer Communications:** Timely communication with our customers.

Standard		What the standard requires	Compensation if we miss the standard
GSOP12	Timely payment of GSOP customer payments	Payment made within 10 working days	If you don't receive your GSOP payment within 10 working days then you will receive an additional £50 one-off payment
GSOP14	Timely response to complaints	We will respond to your complaint within 5 working days, or 10 working days if site visit is required	If you don't receive a response within these set standards, then you will receive an additional £50 payment, with a further payment each subsequent 5 working day after up to £240.

 **Connections:** Connecting a new gas supply or isolating an old one. Or altering the position of a gas pipe.

Standard		Targets		Compensation if we miss the standard
GSOP4	Provision of standard quotations (≤275kWh, disconnections < 2 bar gauge)	Provide a quotation within 4 working days	90% of the time	We will pay £25 per working day, plus a further £25 for each working day after 4 working days until the quotation is received. There is a cap to these payments - either the equivalent of the of quotation sum given (excluding VAT) or £595, whichever is lowest.
GSOP5	Provision of non-standard quotations (≤275kWh, disconnections < 2 bar gauge)	Provide a quotation within 11 working days	90% of the time	We will pay £25 per working day, plus a further £25 for each working day after 11 working days until the quotation is received. There is a cap to these payments - either the equivalent of the of quotation sum given (excluding VAT) or £595, whichever is lowest.
