

# Cadent's Connections Charging Statement

## Effective from 01 April 2021

Cadent has revised its charges detailed within our Charging Statement. With effect from 01 April 2021 an RPI inflation of 1.12% has been applied to all the Connections Services charges

You can find a copy of the Charging Statement, which will detail the new charges, on our website <https://cadentgas.com/services/household-customer/services-document-library>
