7.6 In the event of:-

- (a) any delay referred to in paragraphs (v) and (w) of Clause 7.1 arising after Cadent has arrived on Site to commence the Works; or
- (b) Cadent being unable to commence the Works on the Physical Commencement Target Date (as a result of the Customer's failure to fulfil its obligations under Clause 4 and the Customer not having cancelled the said date no later than one (1) Working Day prior thereto);

the Customer shall pay to Cadent an abortive visit charge at a rate as revised and published by Cadent from time to time; provided that such failure is not caused by a failure on the part of Cadent to fulfil its obligations under Clause 5.

7.7 In all cases where Cadent has given notice under Clause 7.2, it shall thereafter comply with all reasonable instructions which the Customer shall give in writing in order to overcome or minimise any actual or anticipated delay (unless such compliance would cause Cadent to incur extra costs or expenses). If compliance with any such instruction shall cause Cadent to incur extra costs or expenses, then Cadent shall not comply with such instruction unless and until:-

- (a) Cadent has provided the Customer with details of the cost of complying with such instructions; and
- (b) the Customer has agreed to such cost (in which case the Contract Sum shall be deemed to have been amended to include such cost).

Provided that Cadent shall only be entitled to such cost if such instructions require Cadent to take actions which are additional or contrary to those actions taken (or which ought to be taken) by Cadent pursuant to Clause 7.2 to overcome or minimise any actual or anticipated delay or additional amount.

In the event that the Customer does not agree to such costs within ten (10) Working Days of receiving the details thereof from Cadent, Cadent shall be under no obligation to comply with such instruction.

7.8 Without prejudice to Clause 7.1, in the event that a change to the Works is agreed pursuant to Clause 8, the Key Dates and/or the Contract Sum will be adjusted to the extent agreed in relation thereto, and Cadent shall issue a notice to the Customer confirming the revised Key Dates.

- 8.1 In the course of the Works Cadent shall make such changes to the Works whether by additions, modifications or omissions thereto as are from time to time agreed with the Customer, including any changes to the Contract Sum (including but not limited to any changes to the Stage Payments) and/or all or any of the Key Dates, all in accordance with the provisions set out below.
- 8.2 In the event that the Customer wishes to request changes to the Works, it shall notify Cadent in writing of the requested change, specifying the reasons therefor.
- 8.3 As soon as reasonably practicable following receipt of a request from the Customer under Clause 8.2 (and in any event within five (5) Working Days of such receipt), Cadent shall notify the Customer as to whether or not it is prepared to agree to the request (such agreement not to be unreasonably withheld), and in the event that Cadent agrees to the request, it will provide details of any additions to or reductions in the Contract Sum and any amendments to the Key Dates required in respect of such change.
- 8.4 In the event that:-
- (a) Cadent does not agree to the Customer's request; or
 - (b) the Customer does not agree to the additions to or reductions in the Contract Sum and any amendments to the Key Dates required in respect of such change as notified by Cadent in accordance with Clause 8.3;

then neither Party shall be under further obligation in respect of such proposed change to the Works.

Cadent shall provide the Customer with value added tax invoices in respect of each payment due under the Contract.
- 9.3 The address for invoices under the Contract shall be the Customer's address.
- 9.4 All payments shall be made in pounds sterling in same day funds to the account of Cadent at the bank notified to the Customer, or by such other method as Cadent may agree. Each payment shall be accompanied by a document or documents specifying the invoice or invoices plus amounts being paid. In the event that a payment is not so accompanied by such a document or documents, the Customer shall pay interest from the date on which such amount was originally paid at an annual rate of one (1) percent per annum above the Barclays Bank plc base rate in force from time to time, compounded annually, until such time as such document or documents are received by Cadent from the Customer. Without prejudice to the foregoing, Cadent shall, as soon as it becomes aware, notify the Customer in the event that a payment is received by Cadent which is not accompanied by such a document or documents.
- 9.5 In the event of a bona fide dispute, the Customer shall provide Cadent full details of the amount disputed and the grounds of the dispute. Where the Customer provides Cadent with such details:-
- (a) within twenty nine (29) calendar days of the tax point date of the invoice, then, provided that the Customer pays the undisputed amount, the Customer shall be entitled to withhold payment of the amount notified in accordance with this Clause 9.5 as being in dispute. At the determination or agreed resolution of such dispute the Customer shall pay Cadent:-
 - (i) within twenty (20) calendar days of such determination or agreement; or

(ii) by the date on which such amount was originally payable;

(whichever is the later) the amount (if any) determined or agreed to be due together with interest from the date on which such amount was originally payable at an annual rate of one (1) percent per annum above the Barclays Bank plc base rate in force from time to time, compounded annually, until the date of payment; or

At the determination or agreed resolution of such dispute, where it is determined or agreed that Cadent is due to refund an amount to the Customer, then Cadent shall pay the Customer within twenty (20) calendar days of such determination or agreement the amount determined or agreed to be due together with interest from the date on which such amount was originally payable at an annual rate of one (1) percent per annum above the Barclays Bank plc base rate in force from time to time, compounded annually, until the date of payment.

9.6 Any amounts becoming due under the Contract (other than those subject to a bona fide dispute pursuant to Clause 9.5) shall bear interest (payable by the Party due to make payment of such amount) from the date on which payment of such amount becomes due at an annual rate of three (3) percent per annum above the Barclays Bank plc base rate in force from time to time, compounded annually, until the date of payment.

 - (iv) loss in respect of Clause 11.1(a) to the extent that it results from the breach or negligent act or omission of the other Party.

11.2 For the purposes of Clause 11.1(a) the “**relevant date**” is the date of Acceptance of the Contract, except that where the breach in question would not have been a breach of the Contract but for a modification of the Contract, the relevant date shall be the date of such modification.

11.3 Subject to Clause 11.6, the amount or amounts for which either Party may be liable to the other Party pursuant to Clause 11.1(a) in respect of any one event or circumstance constituting or resulting in the first Party's breach of a provision a Contract shall not exceed as respects the liability of Cadent to the Customer or of the Customer to Cadent:-

- (a) one million pounds sterling (£1,000,000) in respect of any Contract in respect of which Annex 3 is the Relevant Annex; and
- (b) five million pounds sterling (£5,000,000) in respect of any other Contract.

11.4 Clause 11.1 is without prejudice to any provision of the Contract which provides for an indemnity, or which provides for any Party to make a payment to another.

11.5 Nothing in the Contract shall exclude or limit the liability of either Party for death or personal injury resulting from the negligence of such Party.

- 11.6 The limitation of liability under Clause 11.3 in respect of Clause 11.1(a)(ii) shall not apply where, by virtue of lack, as at the date of the Contract, of a contractual relationship with such other person referred to in Clause 11.1(a)(ii) the other Party has been unable to limit its liability.
- 11.7 The rights and remedies of the Parties pursuant to a Contract exclude and are in place of any rights and remedies of any Party in tort (including negligence and nuisance) or misrepresentation (but not fraudulent misrepresentation) in respect of the subject matter of the Contract; and accordingly (but without prejudice to Clauses 11.5 and 11.10) each Party (to the fullest extent permitted by law):
- (a) waives any such other rights or remedies (other than those pursuant to the Contract); and
 - (b) releases the other Party from any duties or liabilities arising in tort or misrepresentation (but not fraudulent misrepresentation) in respect of the subject matter of the Contract.
- 11.8 Without prejudice to Clause 11.7 and notwithstanding any provision of the Gas (Standards of Performance) Regulations 2005 (or any amendment or replacement thereto), which stipulates time shall be of the essence, where any provision of a Contract provides for any amount to be payable by a Party upon or in respect of that Party's breach of any provision of the Contract, each Party agrees and acknowledges that the such provisions have been the subject of discussion and negotiation and that the remedy conferred by such provision is exclusive of and is in substitution for any remedy in damages in respect of such breach or the event or circumstance giving rise thereto.
- 11.9 For the avoidance of doubt, nothing in this Clause 11 shall prevent or restrict either Party from enforcing any obligation (including suing for a debt) owed to it under or pursuant to a Contract.
- 11.10 Nothing in this Clause 11 shall constitute a waiver by either Party of any right or remedy it may have (other than pursuant to a Contract) in respect of a breach by the other Party of any Legal Requirement.
- 11.11 Each provision of this Clause 11 shall be construed as a separate and severable contract term, and shall survive the termination or expiry of any Contract.
- 11.12 Each Party acknowledges and agrees that the provisions of this Clause 11 have been the subject of discussion and negotiation and are fair and reasonable having regard to the circumstances as at the date of the Contract.
- 11.13 The amount or amounts for which a Party may be liable to the other Party pursuant to any indemnity provided for in a Contract in respect of any one event or circumstance giving rise to liability under such indemnity shall not exceed as respects the liability of Cadent to the Customer or of the Customer to Cadent one million pounds sterling (£1,000,000).
- 11.14 Any design carried out by Cadent pursuant to a Contract is carried out solely for the purpose of allowing Cadent to perform its obligations under such Contract. Accordingly, Cadent gives no warranty as to the quality or suitability of such design if it is utilised by the Customer or any other person for the purpose of performing the same or similar activities to some or all of those activities comprised in the Works, and Cadent shall not be liable for any loss or damage sustained or incurred by the Customer or any third party should the Customer or any other person utilise the design for the purpose of performing the same or similar activities to some or all of those activities comprised in the Works. The Customer shall advise any person to whom the Customer discloses such design of the terms of this Clause 11.14. For the avoidance of doubt, the carrying

out of any works in relation to Metering Equipment (whether existing or future) shall not be "the same or similar activities" for the purposes of this Clause 11.14.

12. FORCE MAJEURE

12.1 For the purposes of these Siteworks Terms, subject to Clauses 12.3 and 12.4, "**Force Majeure**" shall mean any event or circumstance, or any combination of events and/or circumstances, the occurrence of which is beyond the reasonable control of, and could not have been avoided by steps which might reasonably be expected to have been taken by, a Party (the "**Affected Party**") and which causes or results in the failure of the Affected Party acting as a Reasonable and Prudent Operator to perform or its delay in performing any of its obligations owed to the other Party (the "**Other Party**") under a Contract including but not limited to:

12.5 Subject to Clause 12.6, the Affected Party (from the time of the occurrence of Force Majeure) shall be relieved from liability (including any requirement under the Contract to make payment of any sum or to take any other action) for any delay or failure in the performance of any obligation under the Contract which is caused by or results from Force Majeure.

12.6 The Affected Party shall be relieved from liability under Clause 12.5 only for so long as and to the extent that the occurrence of Force Majeure and/or the effects of such occurrence could not be overcome by measures which the Affected Party acting as a Reasonable and Prudent Operator might reasonably be expected to take with a view to resuming performance of its obligations.

12.7 Following any occurrence of Force Majeure the Affected Party shall:-
